27<sup>th</sup> January 2022

**Year 6 Virtual Careers Event – Week beginning 21<sup>st</sup> February 2022**

Dear Parents, Carers and anyone who may be interested and would like to help

This February will be our fifth year of holding our Careers Event. Over the past four years many parents, carers and other adults who came to talk to the children about their jobs and their career paths have supported us. I cannot say enough about how inspired the children have been by what they saw and heard and it also gave them a reason to work hard towards achieving as well as they possibly could. Our fantastic end of Key Stage 2 SATs outcomes over the past few years show how hard the children worked and we really believe that what they experienced in the Careers Events counted towards their success.

**Would you be willing to help us by talking to our Year 6 pupils about your job, career or business and telling your story of how you got to where you are today?** We believe that the information you can offer will really help the children to start thinking about their future and what they can do to create their own success.

All of the careers activities will take place virtually this year. We will be running activities across the week beginning on Tuesday 22<sup>nd</sup> February 2022. There will be opportunities to talk to groups, classes or the whole year group if you wish to! We will be running the Careers Event for the whole week, which means we can be far more flexible with timings of chats/presentations.

If you would like to get involved please let us know. If you know someone else who might be interested, please pass this information on to them. If you helped us last year we do hope you will be able to attend again this February, as we would love to see you again virtually.

If you would like to support our Careers Event, please complete the reply slip below or email the school office using 'Careers Event' as the subject heading and providing the information below by Friday 4<sup>th</sup> February if possible. We will get back to you as soon as we can after that date.

Thank you.

Yours faithfully

Mrs E Walford - Headteacher
