10th December 2021

Christmas Tree Sapling Donation

Dear Parents/Carers,

Our school has been lucky enough to receive a donation of 120 replantable Christmas tree saplings from the house building company Barratt London. They are encouraging children across the capital to think about taking a more sustainable approach to Christmas this year and how everyone can take small steps towards protecting the environment and reduce waste during the festive season. Barratt London hope that the donated tree saplings can be taken home and enjoyed for many festive seasons to come, and that they will serve as a reusable alternative to single use cut or plastic trees.

We hope to plant some of the Christmas tree saplings around both of our school sites but we would also like to make some available to our pupils and their families. Next week, a number of the saplings will be available to collect from Monday 13th December at the end of the school day at both the Hackbridge Corner and London Road sites.

We hope many of our families will be able to enjoy taking home a Christmas tree sapling and watching it grow!

Yours Sincerely

Miss Norton
Eco Schools Coordinator
