Curriculum Visions

Dear Parents/carers,

Your child will be able to access their home learning on Google Classroom from this week. You will notice that at least 2 of the tasks on the foundation subject grid ask the children to access Curriculum Visions.

Curriculum Visions is a tool that we have access to through our new curriculum using CUSP. It has a vast array of resources in all subject areas, which children can access for home learning and other aspects of their education. We are fortunate to have this wonderful facility to hand to use in class and for children to access at home.

To access Curriculum Visions at home please follow the link below and sign in with the following details:

www.curriculumvisions.com

Name: HackbridgeRocks

Password: Cvisions22

We ask that this password not be shared with anyone outside of the school, as it is something that the school pays for and is only allowed to be accessed by school staff and children from Hackbridge Primary School.

We hope that this invaluable resource will help aid the children with their home learning and that they enjoy using what is available to them.

Kind Regards,

Mrs Ruparelia

Curriculum Lead
