### Road Safety Week Competition

Dear Parents/Carers,

As you may be aware this week is road safety week, we want to encourage safe travel and road safety awareness for all pupils. This year the focus for road safety week is 'road safety heroes'. We will be looking at road safety in school during our PSHE lessons this week with a particular emphasis on crossing the road. As part of road safety week this year we are holding a poster competition with prizes to be won.

The competition is to design a poster about staying safe when crossing the road. The poster must include advice for how to stay safe when crossing the road, including useful drawings and an eye catching design. All designs must be on A4 paper.

The winning posters and road signs (one per year group) will be displayed around the school, and winners will receive a small prize linked to keeping safe on the road. The deadline for all entries is Friday 26<sup>th</sup> November, and the winners will be announced later that week. Please hand all your entries to your class teachers.

Thank you for your continued support in ensuring the children are aware of road safety.

Yours Sincerely
