3rd November 2021

Dear Parents and Carers,

As a school we are constantly trying to develop our outdoor learning environments and since Covid and all the disruptions to school life we have had over the last few years the outdoor leaning environment needs some serious re development.

We are putting out a plea to the school community.

We are therefore asking for donations, we are in desperate need of; saucepans, frying pans, and kitchen utensils for our mud kitchens.

We are also in need of old bath mats and towels for our water and creative areas.

We are also looking to make our outdoor spaces more natural and need items such as planters, wooden sleepers, mud, gravel etc.

We understand that this is a big ask, however we wondered if anyone worked for a larger company that would be able to support us in this venture, we would be extremely grateful.

Any toys, puzzles and games that you may want to donate, would be gratefully received too, although please ensure that all puzzles and games have all of their pieces.

If you are anyone you might know may be able to help us with then, please speak to a member of the EYFS staff or email the school office for the attention of Mrs Levi and we will get straight back to you.

Thank you so much for your continued support with this matter.

Kind regards,

EYFS team.
