**Planetarium Dome at Hackbridge Corner site**

**Friday 20th May 2022**

Dear Parents/carers,

On **Friday 20<sup>th</sup> May 2022**, Year 1 will take part in an exciting Planetarium Dome at Hackbridge Corner site. This workshop will support the children's learning about space and famous astronauts in History.

This workshop will take place at our **Hackbridge Corner site**. Year 1 will spend the day together as year group at Hackbridge Corner site to: experience the Planetarium Dome; explore clay as part of our DT topic and carry out their usual lessons linked to this topic in the classrooms at Hackbridge Corner site. This is to support transition next year and for Sea Otters to get to know the Hackbridge Corner site before they attend Year 2 at Hackbridge Corner in September 2022

Sea Otters class will be spending the entire day, on Friday 20<sup>th</sup> May, at Hackbridge Corner. We would therefore kindly ask you to drop off and collect your child from the Hackbridge Corner that day following the Hackbridge Corner times, which are earlier than the London Road times.

**8.35am** - Drop off at the KS1 gates, where SLT and Miss Brewer will welcome the children and they will wait in the KS1 hall.

**3:10** – Dismissal from the First Aid Room, which is the last door on the left of the KS1 playground by the Year 6 hut (walk through the KS1 gates)

They will need to bring their usual book bag, coat, water bottle and school contact book. If your child is a packed lunch they will need to bring their usual packed lunch. If your child is a school dinner, then a school dinner will be provided for them that day by Caterlink as normal- the choices that you had previously made from the menu will still be their choice on that day.

***If your child attends Breakfast Club***, they will attend at Hackbridge Corner on the 20<sup>th</sup> May. Please drop them to the KS1 gate ramp at Hackbridge Corner by 8:20am.

***If your child attends Jancett After School Club then Miss Brewer will walk them there and you can collect them from there as normal.***

***Please find the map attached with reference with where to pick up and collect from.***

This will be an exciting opportunity for the children to learn more about astronauts and a chance to explore the Hackbridge Corner site together as a year group in preparation for next year. Thank you for your engage contributions which have made this workshop possible.

Kind Regards,

The Year 1 Team.

## Hackbridge Corner Map:

### KS1 GATE

#### Drop Off

This is where you will drop your child off in the morning. This is a 1 minute walk from the main entrance.

If your child already attends **Breakfast Club** you will also drop them off here, up the KS1 ramp once you are inside the gates.

#### Pick Up

This is where your child will be picked up from at the end of the day. You will go through the same gates that you dropped your child off at in the morning. You walk straight to the end of the playground and turn left. Walk past the Turtles Classroom and Dolphins Classroom. The last door on the left will be the First Aid Room.
