Scooter Training for Year 1
Friday 10th June 2022

Dear Parent/Carer,

We are offering a 90-minute scooter training session on Friday 10th June, run by Scootability. The training will take part during the school day and will take place at both school sites. The training includes: scooter control, balance and navigating obstacles.

On the day of training, your child **will be provided** with a scooter, helmet and protective pads. Children will find the course both helpful and enjoyable. The instructors are excited and enthusiastic to help Year 1 with their scooter skills.

If you would like your child to take part, please return the tear-off slip by **Monday 16th May**. There are a limited number of places available and in the event of this course being over-subscribed we will draw names out of a hat. We will inform you whether your child is successful or not in getting a place on this course.

Yours faithfully,

Miss Norton
School Travel Plan Co-ordinator
