Eco Warriors Newsletter

Summer 2019

Dear Families,

We are pleased to announce that we have received the **Silver Award** for Eco Schools and have applied for the *Green Flag Award*. We are very proud of all our efforts to help the environment.

Pond Area

We have updated our pond area. It looks fabulous and we are excited to use this area more in our daily learning, especially in Science.

Woodcote Vouchers

Thank you for your Woodcote vouchers. Please continue to collect these as we use them to buy seeds, bulbs and gardening equipment. Gardening

Club and Eco Club have enjoyed getting green fingers, whilst growing herbs, fruits and vegetables in the school garden.

Walk to School Scheme

We have been asking children how they get to school. Please try and encourage children to use their bikes, scooters or walk. We awarded badges for children who have walked to school at least once a week during May.

Lavender Bags

Eco Club have harvested lavender and made lavender bags. We will be selling these at the school Summer Fair for 50p. Please purchase one and help raise money for Gardening resources.

World Environment Day

As a school we took part in 'World Environment Day'. This years' focus was on air pollution. We talked about ways to reduce air pollution around our school. One of these ways is to remember to switch off car engines when dropping children off to school. We took part in a poster competition to promote this. We shall be displaying the children's posters around the school.

Thank you for all your efforts to promote a more Eco friendly environment this year. Please keep checking the school website and Twitter for further updates.

If you would be interested in helping with our Eco activities such as gardening, please talk to Miss Finn or Miss Trotman.

Many Thanks,

The Eco Warriors.
