

Hackbridge Primary School – Curriculum Information

Year Group: 6

Term: Autumn 1st Half Term 2021

Our Imaginative Learning Project (ILP) for this half-term is...

TOPIC OVERVIEW

Who do you think you are?

During this half term, we're going to find out what makes us the people we are. We'll consider what traits and features give us our identity. Thinking about what makes us unique, we'll write reflecting on identity. We'll learn about branching databases and how to create a classification system. Then, we'll gather data about physical features, make spreadsheets and look for patterns.

At the end of the project, we'll think about factors that influence our personalities and try to bring ourselves to life through sewed puppetry.

ENGAGE EVENT

An identity day, exploring personalities and physical characteristics through a practical measuring lesson.

EXPRESS EVENT

Recording a celebration of the children's completed projects.
